Dear Ms. Dixon:

The Louisiana State Board of Practical Nurse Examiners has received a report regarding your practice as a licensed practical nurse. The report is concerning an incident that occurred at The Oaks Care Center. On October 4, 2014, you submitted to an in-house drug screen following an investigation into missing narcotics. The results were positive for THC. You were referred to a lab for further testing. You failed to report to the lab for additional testing and as a result, you were terminated from the facility.

Louisiana Revised Statutes, 49:961 (C), in pertinent part, provides: "If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to the effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action." LSA-R.S. 49:961(C).

The Board has determined that the allegations against you are sufficiently serious to **summarily suspend your LPN license**, in accordance with the above cited authority, and hereby, issues the following Order:

ORDER

IT IS HEREBY ORDERED, that based on the information and/or record(s) obtained by the Louisiana State Board of Practical Nurse Examiners, and a finding "that public health, safety, or welfare imperatively requires emergency action", in accordance with LSA-R.S. 49:961(C), the LPN license of the above named respondent **Patricia Dixon**, is hereby summarily suspended, pending proceedings for revocation or other action, in accordance with Louisiana law.
