List courses not mandated by the LAC for which credit is being given:

List courses needed to complete your program:

My signature will validate that:

The above plan will **meet or exceed** the LSBPNE’s minimum curriculum requirements.
 Courses for which the applicant is requesting credit were completed with a **minimum grade of 80%.**
Combined courses have been evaluated for a passing grade in laboratory practice and/or clinical practice.
 Courses for which the applicant is requesting credit were **completed within the previous 4 years** (LAC.§939.D.) and/or a statement verifying competency in those units is attached.

_____ Date

NOTE: Any student who fails a course in a practical nursing program should be dropped from the current class. Any break in attendance or enrollment requires completion and submission of a new pink evaluation form, \$50.00 fee, and fingerprinting. If you have questions, please call the office. Thank you for your cooperation.
