Dear Ms. Williams:

The Louisiana State Board of Practical Nurse Examiners has received your \$150.00 reinstatement fee. At this time your license will be reinstated and no further action will be taken against your practical nursing license. However, the information will remain on file.

The board hopes that by calling this to your attention we will have no further reports against you and you will realize the importance of your actions and the potential consequences.

Be reminded that your chosen field of nursing is valued and respected in the community and that you must value and respect the privilege of the service you render.
