Dear Ms. Phillips:

The Louisiana State Board of Practical Nurse Examiners has received a report regarding your practice as a licensed practical nurse. The report is concerning an incident that occurred on your night shift of 7/2/14 while employed at Iberia Rehabilitation Hospital. The morning after your shift a co-worker found a Styrofoam cup with remnants of a cigar missing the outer wrapping in the gym. Administration ordered drug screens on all who worked the night shift. You admitted to using marijuana two days prior to the incident. Your drug screen was positive for THC. Your employment was terminated.

Louisiana Revised Statutes, 49:961 (C), in pertinent part, provides: "If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to the effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action." LSA-R.S. 49:961(C).

The board has determined that the allegations against you are sufficiently serious to **summarily suspend your LPN license**, in accordance with the above cited authority, and hereby, issues the following Order:

ORDER

IT IS HEREBY ORDERED, that based on the information and/or record(s) obtained by the Louisiana State Board of Practical Nurse Examiners, and a finding "that public health, safety, or welfare imperatively requires emergency action", in accordance with LSA-R.S. 49:961(C), the LPN license of the above named respondent, **Angel Phillips**, is hereby summarily suspended, pending proceedings for revocation or other action, in accordance with Louisiana law.
