CONSENT AGREEMENT/ORDER

The Louisiana State Board of Practical Nurse Examiners does hereby offer this consent agreement/order to **Cindy Le Beouf, license #860626**, based on the following:

FINDINGS OF FACT

1. The respondent was issued a license to practice practical nursing in the state of Louisiana on December 7, 1986.
2. On June 25, 2010, the respondent voluntarily surrendered her practical nursing license in the state of Texas following allegations that she failed to provide proper care to two home health residents by failing to obtain a weight, failing to accurately assess a discolored foot, failing to observe the patient taking medications, failing to obtain an order to hold insulin, failing to timely document refusal of medication, falsely documenting what the patient had for breakfast and that the patient had no recent falls. The respondent was eligible to request reinstatement of her Texas license after a period of one year with stipulations.
3. On October 18, 2010, the respondent falsified her 2011 Louisiana license renewal application by answering no to the question that asked "SINCE YOUR LAST RENEWAL, HAVE YOU: Had any disciplinary action, consent order or settlement imposed, including entering a chemical impaired program, or is any disciplinary action pending on your license in any state (including Louisiana)?"
4. On April 26, 2012, the respondent was issued a license to practice nursing in the state of Missouri. On November 13, 2012, the Missouri Board of Nursing filed a formal complaint against the respondent due to allegations that she falsified her application for nursing by failing to report her prior action in the state of Texas. The respondent's Missouri practical nursing license was revoked on January 13, 2014. Revocation is not permanent in the state of Missouri.
