Dear MS. MANN

You have failed to respond to the board's request for information regarding allegations made against you concerning possible violations of the law regulating practical nursing. Therefore, and in accordance with the Louisiana Administrative Code, Title 46:XLVII.306 F(3)(b), **your practical nursing license is hereby suspended.**

You may not practice as a practical nurse in the state of Louisiana while your license is suspended. **You must immediately cease the practice of practical nursing.** Continuing to work while your license is suspended will result in further disciplinary action, which may include permanent revocation.

This suspension is a matter of public record and is reportable to the national disciplinary data bank and any and all other appropriate agencies, including health care employers.

You may submit a written request for reinstatement, which must include your response to the allegations made against you. In addition, you must submit a \$150.00 license reinstatement fee, payable by cash or money order only. This reinstatement fee is in addition to all other fees and fines previously owed to the Board.

Upon receipt of the reinstatement fee and favorable review of your response to the allegations, your license may be returned to you while the board continues its investigation.

PRACTICAL NURSE EXAMINERS**
