DEFAULT ORDER

IN THE MATTER OF

The Louisiana State Board of Practical Nurse Examiners (Board)

v.

**Jessica Jones (respondent), LPN, license #20120933
18338 Pleasant Rd., Abbeville, LA 70510**

On **January 7, 2015**, a formal complaint/notice of hearing (attachment A) was mailed to the last known address of the respondent. The respondent did not reply to the complaint/notice of hearing, as required by the LAC 46: XLVII. 306.I and therefore the respondent waived the right to a hearing. In accordance with the LAC 46: XLVII. 306.J, this order is issued by default.

LEGAL AUTHORITY AND JURISDICTION

The Board's legal authority and jurisdiction, in adjudication proceedings, are provided for in:

1. The Louisiana Revised Statutes of 1950, Title 37, Chapter 11, Part II, Section 961 et seq., as amended; and
2. The Louisiana Administrative Code, Title 46, Part XLVII, Subpart 1, Section 101 et seq., as amended; and
3. The Louisiana Administrative Procedure Act, Title 49, Chapter 13, Section 950 et seq., as amended.

FINDINGS OF FACT

1. The respondent was issued a practical nursing license in the state of Louisiana on 8/2/2012.
2. The board received a report from Maison du Monde Living Center indicating that the respondent resigned without notice during an investigation into a resident's fall. Reportedly, on 6/8/14, she was notified that a resident in her care was complaining of right leg pain. The respondent entered the room with the CNA to assess the resident. The respondent said that she would return with some pain medication for the resident and that she would call the doctor to obtain an order for an x-ray. The respondent failed to administer any pain medication to the resident and failed to notify the doctor. She also failed to notify the resident's family, failed to notify nursing staff, and failed to document the change in the resident's status. When administration became aware of the incident, several requests were made for the respondent to return to the facility. She did not return

to write the requested statement. The respondent later resigned via text without notice. An x-ray performed on 6/9/14 revealed that the resident had an acute minimally displaced intertrochanteric fracture of the right proximal femur.

3. On July 18, 2014, the respondent's practical nursing license was suspended for failing to respond to the board's request for information.
4. Additional records from Maison du Monde Living Center indicate that the respondent was counseled on 4/24/14 for failing to document and chart medication dosages on a resident returning from the hospital. She also failed to discontinue medications that were on the MAR.
5. The board received information that the respondent was employed with East Ridge Nursing Center from 8/1/12 to 4/6/14. On 8/17/12, the respondent received a verbal warning for failing to complete assigned duties in an effective and timely manner. On 1/5/13, the respondent called in for her assigned shift stating that she was out of town; however, the respondent was seen shopping later that afternoon. On 1/15/13, she was observed outside smoking at 6:30 am when she was only allowed a 15 minute break mid-morning following her med pass.
6. To date, the respondent's practical nursing license remains suspended.
