CONSENT AGREEMENT/ORDER

The Louisiana State Board of Practical Nurse Examiners does hereby offer this consent agreement to **Courtney Seets**, applicant for licensure, based on the following:

FINDINGS OF FACT

1. On February 20, 2013, the board received the respondent's student evaluation form for admission into the practical nursing program at the LSU Shreveport Campus. On this form the respondent answered "yes" to question #19 which asks:
"Have you ever been indicted, charged with, summoned into court as a defendant in a criminal proceeding, arrested (even if you were not taken away in handcuffs or incarcerated), fined, imprisoned, placed on probation or ordered to deposit bail for the violation of any law, police regulation or ordinance, misdemeanor and/or felony offense (except for minor traffic violations) whether or not charges were expunged/dismissed and/or refused, or have you ever been convicted (including a nolo contendere plea or guilty plea) of any criminal (misdemeanor and/or felony)?"

The respondent reported the following charges:

- 8/7/04 Simple Battery
 Middle Grade Felony Theft
- 4/10/11 Domestic Abuse Battery

However, her FBI criminal background check results indicated that the charges on 8/7/04 were actually Felony Aggravated Battery with a Dangerous Weapon and Felony Theft.

The respondent submitted additional information to the board, indicating that both charges on 8/7/04 resulted from a dispute with a former roommate. The theft charge was

nolle prossed. The respondent pled guilty to the amended charge of simple battery and was placed on probation with conditions. The respondent stated she has no excuse for her actions or for the "reports you will review". She was immature and inconsiderate of others. She states "I was not considering my future or how it would come back to haunt me at the time of the events". The respondent stated it is her goal to be "a productive citizen instead of a burden to my society".

Regarding the charges of 4/10/11, the respondent indicated that they were the result of a dispute with the father of her children. She was found guilty and placed on probation with conditions. The respondent states that all matters have been cleared and she is remorseful regarding her former actions.

The board has received confirmation from the Bossier Sheriff's Office, Probation Department, that the respondent has successfully completed her court ordered probation.

The board is in receipt of two letters of recommendation from former instructors of the respondent. Both spoke highly of the respondent's performance, both clinically and academically.

The board also received a letter of recommendation from the respondent's current human resource manager highly recommending her as an employee and stating she would be a great asset to the company as a LPN.

On November 26, 2014, the Board received the respondent's First Time Writers Application requesting to take the NCLEX-PN to receive a practical nursing license in the state of Louisiana.
