RE: LICENSE SUSPENSION

Dear Ms. Mack:

Your license to practice as a licensed practical nurse in the state of Louisiana is hereby immediately suspended for violating your Board order/consent order.

Your annual probation monitoring fee was due in the board office on 7/22/15. To date, you have not submitted the fee. Your practical nursing license is suspended indefinitely.

You may no longer practice practical nursing in Louisiana as of the date of this letter. You are to immediately return your current practical nursing license to the Board office. Failure to return your license and continuing to work while your license is suspended will be reported to the appropriate agencies.

The Louisiana State Board of Practical Nurse Examiners (LSBPNE) requires that throughout your suspension you show sobriety, and you are required to continue to submit to and pay for random drug screens through your drug monitoring company. This means that you must continue to call the drug monitoring company and submit to drug screens when the drug monitoring company requires you to do so, if applicable.

Reinstatement is not automatic. Once you have completed your suspension period, you may submit a narrative to the Board requesting reinstatement of your license. The Board will review your disciplinary file and inform you if you are eligible for reinstatement. Please be advised that a reinstatement fee of \$150.00 will be assessed.

As stated in your Board order/consent order, the following violations apply if you do not comply with the mandated stipulations:
