4. The board received the police report from Lafayette Police Department regarding the respondent's arrest on or about 12/26/14, for possession of marijuana, possession of cocaine (rock), and illegal use of controlled dangerous substance in the presence of children. According to the police report, officers were called to the respondent's residence because her 2 year old child was wandering around the property without supervision. Upon locating the respondent's apartment, the smell of marijuana was detected by the officers. It was noted that the officers located on the dresser in her bedroom, a partially burnt hand rolled cigar containing suspected marijuana in a coffee cup and one plastic bag containing 4 rocks of suspected crack cocaine as well as a razor blade with cocaine residue on the side of it. The respondent refused to answer the officers when asked if the drugs belonged to her. The respondent's minor children were released to their grandparents. To date, the board has not received the outcome of the respondent's charges.

5. The board received information from Maison du Monde Living Center that the respondent was employed as an LPN from 4/13/12 to 9/3/15. On 2/14/14, she was written up for defective work. A resident in her care was out of Lyrica for 7am and 7pm doses on 2/8/14 and 2/9/14. She failed to contact the pharmacy to pick up medications on Saturday. On 4/28/14, she received a warning for insubordination. The respondent called the staffing coordinator and DON and was disrespectful regarding staffing issues. She was written up on 11/6/14 and 11/20/14, for failing to attend mandatory in-service meetings. On 11/23/14, she was called by a CNA to a resident's room because the resident was found on the floor. The respondent went to the dining room instead of going to assess the resident. She failed to immediately go to the resident's room when asked by the CNA. On 2/24/15, she was written up for chronic lateness/tardiness. On 4/4/15, she was counseled regarding defective work. The respondent failed to remove Lexapro blister packs from a resident's cubby and put them in the discontinue box dated 1/5/15 and 2/2/15, when carrying out discharge orders on 2/3/15. On 5/13/15, she was written up for failing to write a clarification order to change Oscal 500 +D to Calcium 600 mg or notifying the supervisor to get Oscal 500 mg during the resident's length of stay from 2/23/15 to 5/8/15. She was written up on 5/14/15, for defective work for failing to administer Naproxen 500 mg. as ordered. On 6/17/15, she was written up for infection control. The respondent was observed breaking a pill with her hands. On 7/8/15, she was warned regarding her continued tardiness. On 8/31/15, she was suspended pending investigation. The respondent's employment was terminated on 9/3/15, for failing to notify her employer that she had worked 2 days while her practical nursing license was suspended.

6. The board received information from Infinity College that while employed as a CNA instructor, the respondent received counseling on 6/11/14, regarding appropriate completion of paperwork for clinics, and turning in notes and grades on time.

According to information received, on 7/19/10, she was released from her 2 week notice due to corrective action taken by the D.O.N. because of an altercation that the respondent had with a CNA on the nursing home premises. The respondent last worked on 7/24/10.
8. Records from Kaplan Healthcare Center indicate that she was employed from 11/1/11 to 5/9/12. On 4/20/12, she received a verbal warning for missing a mandatory staff in-service on 4/19/12. She received a written warning on 4/23/12, for indicating in nurses' notes a staging pressure ulcer, but failed to notify the physician or nurse practitioner.
