Dear Ms. Davis:

The Louisiana State Board of Practical Nurse Examiners has received a report regarding your practice as a licensed practical nurse. The report is concerning an incident that occurred at Lacombe Nursing Centre. It alleges that on or about April 1, 2016, you admitted to consuming alcohol at the facility during your shift. You were terminated. Additionally, following your termination, the DON reviewed video footage of your shifts from the dates of March 21, 2016 through March 25, 2016. According to the video footage, you were observed removing controlled medication cards from the lock box on the medication cart and placing them in your purse.

Louisiana Revised Statutes, 49:961 (C), in pertinent part, provides: "If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to the effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action." LSA-R.S. 49:961(C).

The board has determined that the allegations against you are sufficiently serious to **summarily suspend your LPN license**, in accordance with the above cited authority, and hereby, issues the following order:

ORDER

IT IS HEREBY ORDERED, that based on the information and/or record(s) obtained by the Louisiana State Board of Practical Nurse Examiners, and a finding "that public health, safety, or welfare imperatively requires emergency action", in accordance with LSA-R.S. 49:961(C), the LPN license of the above named respondent, **Martha Davis**, is hereby summarily suspended, pending proceedings for revocation or other action, in accordance with Louisiana law.
