RE: LICENSE SUSPENSION

Dear Ms. Reed:

On March 14, 2016, the board issued an order of probation against your practical nursing license. The board finds that you are in violation of your board order. You failed to return your practical nursing license to the board office so that it may be stamped "PROBATION" as stipulated. Your license to practice as a licensed practical nurse in the State of Louisiana is hereby immediately suspended for violating your Board Order.

You may no longer practice practical nursing in Louisiana as of the date of this letter. You are to immediately return your current practical nursing license to the board office. Failure to return your license and continuing to work while your license is suspended will be reported to the appropriate agencies.

You must submit a narrative to the Board requesting reinstatement of your license. Reinstatement is not automatic. The Board will review your disciplinary file and inform you if you are eligible for reinstatement. Please be advised a reinstatement fee of \$150.00 will be assessed.

As stated in your consent agreement/board order the following violations apply if you do not comply with the mandated stipulations:

VIOLATIONS

Failure to comply with any and/or all sections of this order may result in any and/or all of the following: a) immediate suspension of license, b) indefinite suspension of license, c) ineligibility for annual renewal of license, d) additional fines/penalties up to \$500.00 per occurrence, e) increased probationary period, f) summary suspension, and/or g) revocation.
