Dear Ms. Mock:

The Louisiana State Board of Practical Nurse Examiners has received a report regarding your practice as a licensed practical nurse. The report is concerning an incident that happened while you were employed as a licensed practical nurse with Hospice of Shreveport Bossier. On July 27, 2016, while on-call, a Caddo Parish Sheriff's Office employee phoned the facility to report that you had consumed medication, Xanax, prescribed to a patient of the facility and a bottle of Crown Royal in an apparent suicide attempt. You became unresponsive and were transported to the emergency department.

Louisiana Revised Statutes, 49:961 (C), in pertinent part, provides: "If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to the effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action." LSA-R.S. 49:961(C).

The Board has determined that the allegations against you are sufficiently serious to **summarily suspend your LPN license**, in accordance with the above cited authority, and hereby, issues the following Order:

**ORDER**

IT IS HEREBY ORDERED, that based on the information and/or record(s) obtained by the Louisiana State Board of Practical Nurse Examiners, and a finding "that public health, safety, or welfare imperatively requires emergency action", in accordance with LSA-R.S. 49:961(C), the LPN license of the above named respondent, **Beverly Mock**, is hereby summarily suspended, pending proceedings for revocation or other action, in accordance with Louisiana law.

## Part XLVII. Nurses: Practical Nurses and Registered Nurses

### Subpart 1. Practical Nurses

#### §306. Adjudication Proceedings

A. All adjudication proceedings (as defined in R.S. 49:951) conducted by the board shall be in accordance with the Administrative Procedure Act, R.S. 49:955 et seq.

B. All proceedings calling for disciplinary action, as set forth in R.S. 37:969(4) or as set forth in this Section 306(R), regarding a license, shall begin with the receipt by the board of allegation(s) pertaining to the violation(s) of any provisions of R.S. 37:961 et seq., as stated in that statute, or any provision of these rules and regulations of the Louisiana State Board of Practical Nurse Examiners.

C. Communications received by the board expressing such allegation(s) shall be privileged, confidential, and shall not be revealed to any person except when such document(s) are offered for evidence in a formal hearing.

D. The allegation(s) shall be investigated by the executive director, his/her designee, and/or staff. Any information and/or documents generated pursuant to such investigation of the allegation(s) shall be considered the work product of the board and shall be privileged, confidential, and shall not be revealed to any person except when such investigative information and/or documents are offered for evidence in a formal hearing.

E. Unless precluded by law, informal disposition may be made of any case of adjudication by stipulation, agreed settlement, consent order, or default. A consent order or agreed settlement shall be presented to the board for approval before it becomes binding on the board.

F. If formal proceedings are deemed necessary by the executive director, a formal hearing shall be conducted before a hearing officer designated by the board. A decision to initiate formal proceedings may be made if one or more of the following conditions exist.

1. The allegation(s) are sufficiently serious.
2. The respondent fails to reply to the board's correspondence concerning the allegation(s).
3. The response to the board's correspondence is deemed insufficient or unsatisfactory.

a. In furtherance of the objective(s) set forth in R.S. 37:961 et seq., and these rules and regulations of the Louisiana State Board of Practical Nurse Examiners, a respondent shall, upon written request, provide the board with any and all information, document(s) and/or thing(s) requested, within 10 days, including weekends and holidays, from the date of the board's request.

b. Failure to respond to a request by the board, or failure to provide a response that the board deems satisfactory or sufficient, may result in the immediate suspension of the respondent's license or may result in the board taking any other action the board deems necessary commensurate with its philosophy of commitment to the health, safety and welfare of the public.

4. An informal proceeding has failed to resolve all of the issues or allegation(s).

G. Proceedings that require an opportunity for hearing shall commence with the filing of a formal complaint by the board. The complaint shall serve as the notice required by the Administrative Procedure Act 49:955(B) and shall include the following:

1. a statement of the time, place and nature of the hearing;
2. a statement of the legal authority and jurisdiction under which the hearing is to be held;
3. a reference to the particular sections of R.S. 37:961 et seq., and a reference to the particular section of the rules and regulations of the Louisiana State Board of Practical Nurse Examiners;
4. a short and plain statement of the matters asserted. If the board is unable to state the matters in detail at the time the complaint is served, the initial complaint may be limited to a statement of the issues involved. Thereafter, upon request, a more definite and detailed statement shall be furnished.

H. The formal complaint shall be sent by mail, at least 20 days, including weekends and holidays, prior to the hearing date, to the last known address of the respondent. It is the licensee's obligation and duty to keep the board informed of his/her whereabouts.

I. The respondent shall return his/her reply to the complaint to the board at least 10 days, including weekends and holidays, prior to the date fixed for the hearing or shall be deemed to have waived his/her right to a hearing. In reply, the respondent shall either deny or admit the allegations of the complaint and may either:

1. appear for the scheduled hearing;
2. submit a written response to the hearing officer to be presented at the hearing in lieu of the respondent's live testimony; or
3. waive his/her right to a hearing.

J. If the respondent waives his/her right to a hearing, the board may take any appropriate disciplinary action by default. If the respondent does not reply in writing within the time allotted, the hearing may proceed as scheduled in the respondent's absence or the board may take any appropriate disciplinary action by default.

K. Opportunity shall be afforded to all parties to respond and present evidence on all issues of fact involved and argument on all issues of law and policy involved and to conduct such cross-examination as may be required for a full and true disclosure of the facts.

L. Except for conditions of extreme emergency, motions requesting the continuance of a formal hearing must be received by the board at least seven days, including weekends and holidays, prior to the date fixed for a formal hearing. Such motion must express the specific reason(s) and show good cause why a continuance is warranted and necessary in promoting due process.

#### M. Discovery

1. Prior to a formal hearing, a respondent shall have the right to retain an attorney to represent his/her interest before, during, and after the proceedings. All costs and/or expenses incurred by a respondent as a result of his/her exercise of said right shall be the sole responsibility and obligation of the respondent.

2. Prior to a formal hearing, the executive director or his/her designee will, upon written request received by the board at least 10 days, including weekends and holidays, prior to the formal hearing, issue subpoenas on behalf of the board and/or the accused.
