### CONSENT AGREEMENT/ORDER

The Louisiana State Board of Practical Nurse Examiners does hereby offer this consent agreement/order to **Jammi Holston, license #20110549** based on the following:

#### FINDINGS OF FACT

1. The respondent was issued a license to practice practical nursing in the state of Louisiana on June 9, 2011.
2. The board received the respondent's 2016 renewal application and fee.

On this form, the respondent answered "yes" to question #18.a. which asks:

SINCE YOUR LAST RENEWAL, HAVE YOU: Been arrested, charged, convicted of, plead guilty, or no contest and/or nolo contendere or been sentenced for any criminal offense in any state? (NOTE: even though an arrest or conviction has been pardoned, EXPUNGED, dismissed or deferred and your civil rights have been restored, you must answer "YES" and attach a detailed written statement and certified copies of the criminal record(s)).

The respondent reported that she was on April 21, 2015, and again on August 15, 2015, for the following charges:

#### April 21, 2015

3. The board requested certified court documents and the initial police report regarding both arrests. The board also requested that the respondent obtain a State and FBI criminal background record search.
4. On February 15, 2016, the board received the requested initial police report regarding both arrests. According to the report involving her arrest of April 21, 2015, she was pulled over after crossing the fog line on two different occasions. Upon contact with the driver (the respondent), the officer stated she appeared nervous, and asked the officer "why are you doing this to me". During a search of her vehicle, marijuana was found. Upon further questioning, the respondent went back to her car and retrieved a sock which was given to the officer, and contained a baggie of methamphetamine and a meth pipe with residue. The respondent was then placed under arrest.  
  
According to the report involving her arrest of August 15, 2015, she was pulled over for not coming to a complete stop at a stop sign. Upon questioning the driver (the respondent), it was noted that her hands were shaking. She was asked if she had anything illegal in the vehicle or in her possession and she stated "she did not". A female officer arrived on the scene to assist with the search since the respondent was a female. Located in the respondent's bra was a glass pipe rolled in a napkin and 3 baggies of a rock type substance suspected to be methamphetamine. She was then placed under arrest.
5. To date the respondent has not provided the board with her FBI criminal background records and both cases appear to still be pending in court.
