### **CONSENT AGREEMENT/ORDER**

The Louisiana State Board of Practical Nurse Examiners does hereby offer this consent agreement/order to **Yolanda Daigre, license #200309**, based on the following:

#### **FINDINGS OF FACT**

1. The respondent was issued a license to practice practical nursing in the state of Louisiana on May 18, 2000.
2. The respondent was employed as a licensed practical nurse at Plantation Community Home on February 25, 2010. She resigned her employment on August 28, 2015, during an investigation into allegations of caregiver abuse and neglect of several residents.
3. On August 25, 2015, the respondent was instructed by the home manager to ensure that the ears of several residents were cleaned with Debrox solution, which was ordered by the physician. On the following day, she attempted to clean the residents' ears with Q-tips and baby wipes, rather than the ordered solution. Three residents were noted to have bleeding from the ear. The respondent did not report the matter to the home manager or the health services director. She did not document the injuries in nurse's notes or incident reports, and did not seek medical attention for the residents. Three residents required medical attention and intervention, but did not receive it until the following day.

Based on the evidence submitted, the board has concluded that **Ms. Daigre** (respondent) is in violation of the following provisions of Louisiana Revised Statutes, Title 37, Chapter 11. Nurses, Part II. Practical Nurses, Section 969 A-4.
