RE: LICENSE SUSPENSION

FILE COPY

Dear Ms. Thompson:

Your license to practice as a licensed practical nurse in the State of Louisiana is hereby suspended for violating your voluntary signed agreement/Board Order by

- **not reporting for a required drug screen on June 12, 2006 and not responding to the board as to the reason(s) why.**
- **not reporting that you are no longer employed at Opelousas General health System.**

You may no longer practice practical nursing in Louisiana as of the date of this letter. You are to immediately return your 2006 practical nursing license to the board office. Failure to return your license and continuing to work while your license is suspended will be reported to the Attorney General's Office for criminal proceedings.

You may not apply for reinstatement of your practical nursing license for four years. At that time you will have to provide the board with continued compliance with sobriety, in the forms of monthly negative drug screens, AA/NA attendance, after-care counseling and any fines/fees owed to the board for further determination of licensure.

Also, please refer to #12 of your signed agreement, you will have to pay the \$500.00 fine for violating the Nurse Practice Act.
