CONSENT AGREEMENT/ORDER

The Louisiana State Board of Practical Nurse Examiners does hereby offer this consent agreement/order to **Kiley Applewhite, applicant for licensure**, based on the following:

FINDINGS OF FACT

On February 1, 2016, the board received the respondent's application for endorsement to the State of Louisiana. The respondent answered "NO" to the question that asks the following:

"Have you ever had any disciplinary action, been allowed to resign, or requested to leave temporarily or permanently while in any professional or occupational training program (including nursing) prior to completion?"

However, according to board records, the respondent was enrolled at Northwest Louisiana Technical College, Minden Campus and was dropped from that program 5/2013 for academic reasons. She indicated in her narrative that she misunderstood the question as she did not relate it to having to leave due to her academic shortcomings.

The respondent also answered "NO" to the question that asks the following:

"Have you ever been indicted, charged with, summoned into court as a defendant in a criminal proceeding, arrested (even if you were not taken away in handcuffs or incarcerated), fined, imprisoned, placed on probation or ordered to deposit bail for the violation of any law, police regulation or ordinance, misdemeanor and/or felony offense (except for minor traffic violations) whether or not charges were expunged/dismissed and/or refused; or have you ever been convicted (including a nolo contendere plea or guilty plea, or entered into a district attorney intervention program) of any criminal **misdemeanor and/or felony**?"

However, according to her application for admission into Northwest Louisiana Technical College, Minden Campus, she answered 'yes' to that question.
